ANNOUNCEMENTS

The Directors of the Cannon Valley Fair Association present you with a copy of its Premium List for the 110th annual Cannon Valley Fair to be held on its grounds at Cannon Falls, MN, July 3, 4, 5 and 6, and wish to extend a hearty welcome to all to attend the fair.

We want you to feel that this is your fair and that your interest and cooperation is necessary for its success. Plan ahead to exhibit in all the departments you can. This year nature again promises to be lavish in her efforts to provide you with the products of the soil. Bring them in and compare your efforts with others. Let us all pull together and make this one of the best fairs in the state.

EMERGENCY

In case of an emergency at the fairgrounds, the fair office, located on the grounds have a public telephone available. The Cannon Falls police are on duty throughout the fair and can be contacted. The fair office is open from 8 a.m. to 10 p.m. daily. The fair phone number is 507-263-3548.

PUBLIC NOTICE TO ALL CONCERNED

1. While the greatest possible care will be executed by the management to protect patrons of the Cannon Valley Fair, each individual will be held personally responsible for his or her actions, and the management will not be accountable or responsible for any injury.
2. The Cannon Valley Fair Agricultural Society management assumes no liability for loss or damage to any property, to the concessionaire, exhibitor or patron due to theft, fire, tornado, weather conditions or other causes.
3. The Directors of the Cannon Valley Fair reserve the right to refuse any offensive or obscene exhibits which, in the judgement of the Fair Board, would be offensive to the general public.
4. Any group or person that conducts a protest action must limit its activity to the location designated by the Cannon Valley Fair Board. The designated location is past the grandstand just east of the Sprint tower on the fairgrounds property. No entrances or exits may be obstructed or limited in any way. No pets allowed.
5. No firearms allowed.
6. It shall be the policy that during the period of the Cannon Valley Fair, no dogs or other pets shall be allowed on the fairgrounds. These are the exceptions:
   a. Certified service animals should be currently vaccinated against rabies and accompanied by a rabies vaccination certificate;
   b. Dogs or other pets may be allowed when part of an exhibition or demonstration authorized by the board;
   c. Carnival owner/operators - dogs must be housed during fair hours.
7. No Alcohol or Grills on the Fairgrounds. Please support our Fair Vendors.
8. No Smoking, Vaping, E-Cigarettes, Marijuana on the Fairgrounds.

GENERAL RULES AND REGULATIONS

These rules have been adopted by the Cannon Valley Fair Board of Directors and no exceptions will be made. Study the rules carefully to avoid errors. Anyone with disagreements or concerns, contact fair board officers.

1. Rules and regulations will be strictly adhered to.
2. All entries must be made to the superintendent of the departments.
3. All exhibits entered must remain in place until 6 p.m. July 6. If exhibits are removed before 6 p.m. on July 6, no premiums will be paid. Building exhibits will be released from 6-8 p.m. on July 6.
4. Premiums will not be awarded on articles that are inferior or not considered worthy by the judge, regardless of lack of competition.
5. All articles exhibited and not called for two days after the fair will be considered donated to the society.
6. Exhibits are allowed from any county in Minnesota.
7. Exhibits must be entered in the name of the bona fide owners. Exhibits must have been raised or made by the exhibitors during the current year.
8. No exhibit will be assigned to a place on the grounds until entry has been made. Each entry tag shall be attached to the entry itself, pen, or receptacle in which it is shown.
9. Every article in competition must correspond in number and description within the premium list, and be in its proper class, in order to obtain premiums.
10. All protests and appeals must be made in writing to the secretary before the close of the fair. Any interference by exhibitors to influence or dictate the decisions of the judges will be sufficient cause for excluding the exhibit from competition.
11. Anyone who wishes to give any special premiums must have these awards approved by the secretary or superintendent of the division beforehand to see that they conform to the general classification of the fair association.
12. The association will take every precaution in its power for the preservation of articles and stock on exhibition, but it cannot be responsible for any loss or damage that may occur in the delivery, exhibition or removal of the exhibits.
13. The awards on entries shall be designated by ribbons or cards as follows: First premiums, blue; second, red; third, white; fourth, yellow; fifth, pink; sixth, green; seventh, light green; sweepstakes, purple.
14. When a sum of money is to be paid out pro rata, the apportionment shall be according to the merits of the individual exhibits.
15. No person shall be permitted to distribute advertising matter on the grounds except from their place of business or exhibit. The tacking or posting of any advertisement, bill, card, etc., other than within the space occupied by exhibitors is strictly prohibited. The distribution of hand bills, flyers, etc., will not, under any circumstances, be permitted. Anyone violating this rule will be liable to a fine or expulsion from the grounds.
16. If the receipts prove insufficient to meet all demands, the society reserves the right to first pay all bona fide expenses of the fair and pay premiums with the balance on hand.
17. No pets allowed on grounds.
18. All checks not cashed within 90 days will be forfeited to the Association.
19. No smoking or alcoholic beverages allowed in any buildings, grandstand or bleacher areas. E-cigs included.

RULES FOR LIVESTOCK EXHIBITORS

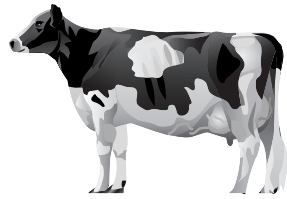

1. No exhibitors of livestock shall be allowed to make more than two entries in an individual lot, one entry per group.
2. Special attention to all livestock exhibitors -- All animal health regulations governing public exhibition of livestock and poultry as specified by the MN Board of Animal Health Entrance Requirements(www.bah.state.mn.us). Official health certificates or forms are required on all livestock. See your local veterinarian for these regulations. All horse exhibitors must bring required proof of current negative Coggin's (within 12 months prior to show date) to the fair. Any animals with warts or ringworm will not be allowed on fairgrounds.
3. All Goats and sheep need to have an USDA scrapies eradication ID tag or tattoo. All goat premise papers to be filed with the fair office according to state regulations.

   All Goats and sheep that are within 30 days of giving birth (either before or after birthing) may not be exhibited.
4. All classes of livestock except horses call for registered stock. All cattle and sheep should be accompanied by certificate of registry showing that the animal is properly registered in the studbook, herdbook or flockbook, which is recognized as being authentic for the breed. These papers must be available to the superintendent of the department on request.
5. All cattle (Beef and Dairy) tagged/identified on or after Nov 5 2024 MUST have an RFID tag.(per USDA + BAH rulings) www.mn.gov/bah.
6. Exhibitor must keep their stock, stalls and pens in good, neat condition and open for inspection from 10 a.m. to 10 p.m. and must furnish their own roughage, feed, bedding, etc.
7. Exhibitors of livestock must inform themselves when their stock will be judged. Stock must be in the show ring promptly after being called, and any exhibitor failing to comply with this order will be ruled out of competition.
8. Sires, dams and groups entered as such must be owned by the individual or firms exhibiting them, but the progeny of animals may be shown simply as proof of their breeding qualities without such ownership.
9. FFA and 4-H animals may be shown in open class show but must be entered in both classes on entry day.
10. All manure must be hauled to the designated holding area. Wash rack area must be kept clean at all times.
11. Health requirements - Health papers from animals originating outside of MN will be required.
12. All animals are subject to an examination by the onsite veterinarian.

  Photo/Video Release Form - It is important to learn how to use this form when including any person in your photograph or in your video that is NOT in 4-H. This verifies that the subject has agreed to have their photograph taken or be in your video. Keep this signed form in a file.

This link, https://z.umn.edu/intro-to-photo-manipulation, explains what the difference is between elements and manipulation, software options and information on how to talk to a judge.

Equipment:
- Use any device capable of capturing a photographic image to be printed: digital or film camera, cell phone, tablet or drone. A computer, phone or tablet is required for photo manipulation.
- Please note: Supervision of the drone operator is important until they understand not only how to use a drone but also understand the etiquette and rules for using the drone. For information see: https://www.faa.gov>uas (unmanned aircraft systems).

Elements of Photography

Exhibit will focus on what makes a good photograph (composition, light, shutter speed, color, depth of field and leading lines). Only select modifications are allowed in post-production. Post-production is any adjustments made after the photo is taken using editing software. Allowed whole image edits must be applied to the entire image and not specific areas of the photo. Allowed whole image edits include cropping, exposure correction, color saturation, contrast, sharpening or conversion to black and white. On-camera filters: a physical filter that attaches to the camera lens are allowed.

Exhibit ideas:
- Photo story:
  - Show a town's history or a family history.

• Present a day in the life of - farm or city youth, a professional person such as a nurse or a firefighter.
• Exhibit a series of photos on how to make something.
- Common Theme or subject:
  • Display a series of 3-7 photos of a common subject such as people, buildings, landscapes, animals, seasons, action, nature, weather, or close-ups.
- Showcase a Photographic Element:
  • Display a series of 5-7 photos that illustrate some photographic element such as composition, lighting, shutter speeds, depth of field, color, contrast, or cropping.
- Panorama:
  • Show a single image created in camera or a triptych (set of 3 photos intended to be used together) of several images created by moving the camera. A triptych may consist of separate images that are variants of a theme, or may be one larger image split into three.

Manipulated Photography

Exhibit will focus on using photography to show creatively edited photos and how photography is used in everyday life. Software editing is required for this category and may include: Layering, removing or adding objects or text additions.

Entries in this category must involve editing with software such as Photoshop, Light room, IPhoto, Picasa, Gimp, Picmonkey, Pixi, or Microsoft Publisher. Please view (z.umn.edu/intro-to-photo-manipulation) for specific examples and explanation.

Stock photos are not allowed. All images used in photo manipulation exhibits must have been taken by the exhibitor. Examples of images not allowed include: an image of space (taken by NASA) as the background of your photo or if you want a shark inserted into your composite image, you must take a photo of a shark.

Exhibit Suggestions:

- Composite photo: Multiple images combined.
  • Panoramas.
  • The same person in multiple places within the photo.
  • Replacing the sky.
- Single Source Image Manipulation.
  • Acne removal, eye enhancement, teeth whitening.
  • Selective color manipulations.
  • Digital filters (other than black and white)
  • Removing distractions in the background.
- Photo Series:
  • A series of 5-7 digitally edited photos that illustrate a common theme such as environmental issues, plight of pollinators, how to do something.
- Enlarged Photo:
  • 5"x7" or 8"x10" print that has been digitally enhanced and illustrates software skills. An unaltered 4x6" print must be attached to the exhibit.
- Publications:
  • Calendars, brochures, posters that are created using computer software.
- Photo Novelties:
  • Mugs, puzzles, blankets, or other media on which photos have been printed.

SELF-DETERMINED
Premiums: Blue, $3; Red, $2; White, $1
CLASS 5700 — Self-Determined

Lot
10 – Grades 3-5
20 – Grades 6-8
30 – Grades 9+

The Self-Determined project area is intended for those projects that might not fit within other categories and for those learning experiences that members select, plan, and manage on their own. This is not a "catch-all" category but rather is focused on intentional self-directed learning. Members should be able to describe what they did, how they reflected on it, and how they applied what they learned.

Requirements:
- A self-determined project will be judged primarily on the self-guided learning experience. While the artistry and craftmanship of the exhibit itself will be considered, emphasis will be placed on the selection and identification of the self-guided learning experience and the ability of the member to convey the experience and what was learned from it. If the member wishes to be judged on the exhibit's craftmanship or artistry, exhibit should be entered within the appropriate project area (a project in seed art should be submitted within Crafts and Fine Arts project area if looking to be judged on the quality of the final product and the process and learning associated with its assembly).
- Exhibits consisting of projects or assignments done for school or other organized learning environments must indicate how the member went above and beyond the requirements of the assignment/project and individualized the learning to meet their own goals and desired outcomes.
- Exhibits may be submitted by individuals or teams. A team may consist of not more than three (3) individuals. Team members will be judged collectively.

Exhibit suggestions:
- A portfolio describing the selection, planning, and management of a service learning project.
- A photo collage capturing the experiences and stages of development of an event planned and facilitated by the member either individually or as a part of a team.
- A video or digital blog capturing the "behind the scenes" work done by an individual member while working as part of a team on a project or assignment.
- A LEGO creation (not a kit) intended to include deeper learning that is not in any other project requiring exhibitor to create their own learning path.
